

Technical drawing of a 1100mm long profile. The drawing shows a cross-section of the profile with various features and dimensions. The total length is 1100mm. The profile has a height of 14,25mm. The distance from the left edge to the first vertical feature is 14,25mm. The distance between the first and second vertical features is 535,75mm. The distance between the second and third vertical features is 535,75mm. The distance from the third vertical feature to the right edge is 14,25mm. The distance from the left edge to the first vertical feature is 507mm. The distance from the second vertical feature to the third vertical feature is 511mm. The distance from the third vertical feature to the right edge is 82mm. The profile has several circular features, including two large circles and several smaller circles. There are also rectangular features and a central vertical feature.
